

Sunova GO Web

FACT SHEET

Description

Sunova GO Web allows you to complete routine financial transactions from your own personal computer. Whether you are transferring funds, paying bills or downloading your most recent statement, you can do it all from the comfort of your own home.

Features

- With Sunova GO Web you can complete the following types of transactions:
 - » View your account information at a glance
 - » Pay your household and personal bills
 - » Transfer funds between your own accounts, to another member or to anyone in Canada
 - » View a detailed transaction history
 - » Create or modify stop payments for your account
 - » Create or modify automatic transactions for your account
 - » Download portions of your statement information to your accounting software
 - » Access your monthly statement online
- Your information is encrypted which ensures it cannot be accessed or modified while being transferred to or from your computer
- For added security, Sunova GO Web will email you every time you log in to access your account as well as prompt you to change your password every six months

Benefits

- A convenient and user-friendly way to access your account when you want
- Sign up is easy and can be done quickly at your local branch
- Safe and secure way to complete your daily financial transactions
